## Work Experience

Chaplain Resident, Westchester Medical Center, *September 2015-Present*

Over the course of this year I earned three units of CPE -- two of them at level II. In this level I Trauma Center I worked on call shifts, focused in the Oncology Unit and Medical ICU, and charted in patient charts using SBAR. My ministry is interfaith and intercultural working with patients in any unit of the hospital. My specialty is in Palliative Care and I have been working closely with the Palliative Care interdepartmental team to serve palliative care patients.
